PROPOSE RECREATION LAND

Mr. Robert Gardner, associate member of the Sports and Athletic Committee, met with Selectmen to review with them thoughts on the location of some land within the town to be acquired for ballparks and recreation purposes, completely separate from the various school recreation areas. During this discussion, it was proposed that the Army Engineers might help with site preparation after the town acquires the land should it vote to do so and appropriate the funds for such development and equipping.

BARKING DOG INVESTIGATION

Selectmen conducted an investigation of a complaint that the neighborhood in the vicinity of the Crippin dog is disturbed by its barkings. Selectmen took sworn testimony from those neighbors who initiated the complaint. After airing the problem by both sides, the Selectmen proposed that the Crippens try to get together with the neighbors and solve the problem among themselves then report back to the Selectmen at their next meeting.

SEWAGE ACTION

The Water Pollution Abatement Committee will meet with Selectmen to discuss a contract for a \$3,000 feasibility study of an in town sewer treatment facility. The contract tentatively prepared, to be made with Tighe & Bond of Holyoke, has been approved by Town Counsel Leonard Perry. The Committee will also discuss a draft permit from the U. S. Environmental Protection Agency. This permit permits the town to discharge pollutants to the harbor.

The application by Mattapoisett concerns the existing discharge of approximately 35 thousand gallons per day of waste water. This application states flatly, "the proposed permit contains an implementation schedule requiring the permittee to award the construction contract for the proposed tie-in to the Fairhaven Sewer System by May 1, 1977". This permit is issued under the joint jurisdiction of the Mass. Water Resources Commission Division of Water Pollution Control and the U. S. Environmental Protection Agency.

APPOINTMENTS

Selectmen appointed Frederick Hoeh as a member of the Council on Aging and Joseph Sylvia as associate member of the Council on Aging. Mr. Sylvia is president of the Senior Citizens' Club and Selectmen feel that the holder of that office should be a member of the Council on Aging.

MARTIN LUTHER KING DAY

Selectmen sought an opinion from the Town Counsel concerning Martin Luther King Day. According to Mr. Perry the town is required to observe this day as a public holiday under the terms of legislation. The Board noted that no regulation in the town's personnel by-law allows for paying town em-

coastal towns to meet with Mattapoisett's Board of Selectmen to discuss the matter. STATE NOTIFIED ON EEL POND

The Board of Selectmen notified Malcom E. Graf, P.E. of the Mass. DPW, that Mattapoisett is prepared to commit up to \$5,000. to the construction of a stone jetty on the easterly side of the channel at a total cost estimated at \$20,000. Plymouth County has allocated \$5,000. so \$10,000 is available toward Mattapoisett's 50%. The State's share is 50%. The Selectmen requested that the Mass. DPW proceed with plans and construction. STABLE VIOLATION

Selectmen have notified Mr. and Mrs. Wilson D. Harding that they are maintaining a stable for horses in violation of the zoning and without approval from the Board of Health. The Board ordered full compliance with the town by-law, if possible, or removal of the horses prior to December 3, 1974.

STATE BUILDING CODE QUERY

The Board of Selectmen has asked to be advised on what action has been taken by the Massachusetts Selectmen's Association on their effort to delay the effective date of the new State Building Code due

The Selectmen voted that, if this date cannot be delayed, the town must have a special town meeting to change the zoning by-law for Flood Prone Areas and establishment of a Board of Appeals.

FUEL SERVICE HEARING

There will be a public hearing on December 10 at 8 P.M. in the Selectmen's office on the proposal to install a town owned fuel service depot at the town barn on Mendell Road.

QUESTION FEDERAL OFFICIAL ON FLOOD ZONE

The Board of Selectmen has written to George K. Bernstein, Federal Insurance Administrator, to clarify questions that arose during the 1974 annual town meeting. The questions were about the establishment of an exact topographical survey to determine the contour of the 14.4 ft. elevation, the conditions concerning the rebuilding of structures destroyed by fire and rebuilt non-conforming, the procedure for same and the appeal agency and time period involved. The Selectmen also asked if the town revised boundary line of Flood Plain area exactly to the contour line of 14.4 ft. above sea level (rather than the setback distances on the Flood Hazard

SURPLUS SALE SUGGESTION

The Selectmen have informed town departments that the Caswell house, willed to the town, will be sold at public sale. They suggest that the auction would provide an excellent opportunity to dispose of any other town material that is surplus and suggest a list be submitted to the Board of Selectmen.

DEADLINES SET

The following deadlines have been set by the Selectmen: Annual Town Reports, Selectmen's office, January 10, 1975; articles for 1975 warrant, Selectmen's office, January 1, 1975; budgets for fiscal year 1976 (Town Accountant), December 20, 1974; acceptance of new streets (Selectmen's office, December 1, 1974.)

Mattapoisett Grange

Mattapoisett Grange will hold its regular meeting Thursday night, November 21st, with the officers and members of Acushnet Grange filling the chairs.

Members who have not taken care of their 1974 dues are asked to do it at this meeting. There will be a slight change in dues and per capita tax in 1975. The secretary would like to clear up the dues situation after this meeting. By vote of the Grange, the next regular meeting held in the Hall will be Thursday, March 6, 1975, with an agricultural program for the lecturer's hour.

Plans for Grange activities will take place during this recess in members' home. So watch for it in the Presto.

Pastor White

Editorial DCJ

Pastor Edward F. White of the First Congregational Church of Rochester is gone. His passing will be personally felt by the people of his active parish and many others in surrounding communities as well. He was unique in his field. He quietly requested to be called Pastor White. His simple directness, his generous personality was evident to all. When he spoke from his pulpit it was as one friend to another. His words were his own, unadorned, eloquent, salted with humor and personal notes. He related directly about real people in everyday situations.

Pastor White did not direct his church, he led it. A few years ago, he swung a brush with men from the church and other volun-

teers who turned out to help him paint the historic structure with their own hands. He was a man of many talents. At church barbecues he was to be found cutting meat and cooking at the grill. This willing habit of rolling up his sleeves and pitching in perhaps was the key to his understanding of people and of their affection for him. He knew the hunger for faith but, most importantly, he knew the way to relate the great truths in terms of contemporary life. Not for this man the reading of the "canned" sermon of the week full of elaborate and tortuous cerebral verbal lacework. Rather, he cut to the meat of the subject in his own sincere words. Such was the magnetism of this approach that his congregation swelled. People listened faithfully to his broadcasts and were impressed. Special events such as his Thanksgiving service filled the church to overflowing.

Once there was a gentler era. Family doctors really had time to know people as friends. They drove out to call on sick patients. Village pastors had time to call on people to involve themselves directly in daily life. Pas-

"How can our town build housing for the elderly?" asked a retired man when he called our toll free number. He was told that the community must first establish a Housing Authority, which can determine the need and then build the required units.

A Housing Authority in a town may be established by a majority vote of the town meeting. It consists of 5 members: one appointed by the Governor and the other 4 elected in a town wide election. Members serve 5 years, staggered so that one term ends each year.

The primary purpose of a Housing Authority is to provide and manage housing for families, individuals or elderly persons of low income. It may study housing needs and markets, population and income, and then lease or acquire property needed to carry out the housing needs of the community. The money for building and upkeep does NOT

Price is what you pay

Value is what you get

Consider the value in this prime property. New 8 room Gambrel with 2 car garage, 2 1/2 baths for 4 spacious bedrooms (master has own bath - surprisingly hard to find), formal and informal dining areas, kitchen (with laundry area) opening to family room, front to back living room with fireplace, deeded beach rights (construction of new homes on lots with this valuable privilege are hard to find). A bountiful piece of real estate with 338 feet of frontage in the Ned's Point area of Mattapoissett. If you are looking for a substantial home - this is worth your careful consideration.

after which Chris Small served coffee and cakes. At Hiller's Cove beach, Priscilla Hathaway spoke of the Selectmen's proposal and action taken by the Conservation Commission, and the importance of protecting our tidal flats. The bus then proceeded to Angelica Point, Ned's Point, and the Town Beach; then to the library where Mrs. LaPlante explained the proposed renovations. George Hall completed the tour at the Town Hall with an explanation of the organization of our town government. Everyone agreed it was an interesting and informative morning.

SIERRA CLUB FILMS

Two Sierra Club films will be presented on Friday evening, November 22, by the Children's Museum in Dartmouth. "The Grand Canyon" and "Wilderness River Trail" will be shown at 7:30 P.M. in the auditorium at the Dartmouth Middle School on Hawthorn Street. A small donation is requested at the door.

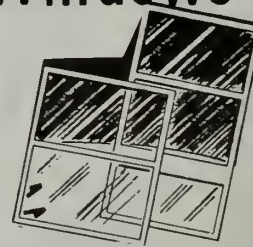

"The Grand Canyon", an example of superb photography, reveals a place hardly anyone knows well enough. The film shows that the Canyon is a universe in itself and that a living river is vital to keeping the Canyon alive. "Wilderness River Trail" is a study of the Dinosaur National Monument comprising an area where 2 major tributaries of the Colorado River flow together. This film played a major role in forestalling the construction of a dam which would have flooded the National Monument, thus helping to preserve the beauty of this gentle wild river trail for all to enjoy.

"NATURE-SKETCH WALK"

On Saturday, November 23, the Children's Museum will offer a "Nature-Sketch Walk" at Museum Outdoors, 100 Old Westport Road, North Dartmouth. The walk, which begins at 10 A.M., is for adults and children accompanied by an adult. There is no admission fee but participants are requested to bring their own sketch pad and pencils or crayons.

The sketch walk will be a change from the traditional nature walk and will offer a chance for those who enjoy nature and art to combine these interests. The walk is not intended as a lesson on how-to-draw but rather as an opportunity to appreciate the outdoors. Artist and non-artist are invited and encouraged to participate. Winter scenes which the sketcher will be able to focus upon will include: bright winterberry shrubs, old apple trees, lichen-encrusted stone walls, huge sugar maples, and - who knows - perhaps, some freshly fallen snow.

We dare to show you the inside story.

Most other organ manufacturers don't like to show you the most important part—the inside. But look inside a Yamaha Electone and you'll be convinced of the quality of the fully transistorized circuitry. It's logically laid out with the wires of each circuit grouped together. The circuit bundles are free-hanging, just like in a computer. That's the kind of planning, the kind of quality that makes a difference. After all, that's where the music comes from. Mattapoisett Seniors

The Mattapoisett Seniors Club held a meeting Monday, November 11, at the American Legion Hall. The officers were installed and immediately occupied their chairs. They are: President, Joseph Sylvia; Vice President, Mrs. Sophie Sterling; Secretary, Mrs. Gertrude Silveira; Treasurer, Mrs. Emily Wingate. Mrs. Betty Heuberger is the Sunshine Lady and anyone knowing of someone needing a card or needs cheering call her at 758-3321. The outgoing president, Richard Colby, was presented a gift in appreciation of his past year's service.

There was a large attendance. Dues for the new year beginning November 1 to October 31, 1975 were being accepted. Membership cards are now being issued and if you do not have one and would like one and to also pay your dues of \$2.00 per year you may do so Thursday from 1:30 to 3:30 P.M. at the Service Center, Room 202, Town Hall.

Messages of Thanks

A THANK YOU

On October 26, 1974, the Rochester Woman's Club sponsored a community litter pick-up day. The club would like to thank our local Police Department and Fire Department for their cooperation and protection they gave our young people and adults while they participated in this litter day pick-up.

A thank you also to the men and women of our community who donated their trucks and gave their valuable time. A special thank you to all the young adults and children who came to work on this special day. It wasn't an easy task. The community service performed by everyone was overwhelming.

Another thank you to the two young men in the army reserves who drove the army trucks.

The Rochester Woman's Club wants everyone to know how much we appreciate every-

Mrs. Harris' Den 2, Mrs. Guard's Den 1, and Mrs. Didrikson's Den 3 gave short skits on the theme for the month of October.

At a candlelit ceremony, led by Cubmaster Correia and assisted by Assistant Cubmaster Paul Lambalot and Webelos Leader Richard Dodge, 5 boys were welcomed as new Webelos. The five were Mark Kroninger, Robert Manny, Paul McGowan, Michael Humphreys and Eric Johnson. They were given their Webelos Ribbons and a Webelos Book.

Webelos Leader Richard Dodge led his Den 2 in the explanation of the emblem.

Institutional Representative Paul Jones Pack 15 and Troop 15, formerly District Chairman of Agawam District, led the candlelit induction of the Webelos into Troop 15. The Webelos who are now in Troop 15 are: Shawn Edwards, Stephen Mendell, John Kmetz, Richard Dodge, Kevin Flood and John Keenan.

The Arrow of Light was awarded to 4 boys in a very dramatic candlelit ceremony. To receive the Arrow of Light boys must pass 7

STUDENT MUSICIAN NAMED TO ALL-AMERICAN BAND

Steven Lipsitt, son of Dr. and Mrs. Don Lipsitt of Planting Island, Marion, and Brookline, has been named to the 1974 McDonald's All American High School Band, comprised of the nation's 102 most talented high school band musicians.

The band will march and play under the direction of conductor Paul LaValley, formerly musical director of Radio City Music Hall, in the Macy's Thanksgiving Parade in New York City and the Tournament of Roses Parade on New Year's Day in Pasadena, California. Al Bowermaster, owner operator of the Brookline McDonald's Band, reported that both parades will be telecast on the NBC and CBS networks, giving hometown viewers a chance to see Steven perform.

YOUNG WOMEN'S PROGRAM

Emily Rubinstein, M.S.W., was the featured speaker at last week's Young Women's Program. The third in a ten week series, the topic was "Understanding Yourself". A broad range of topics was discussed in an informal setting. Ms. Rubinstein is a graduate of Columbia School of Social Work and is now employed by the New Bedford Center for Human Services.

Also from the New Bedford Center for Human Services is Mr. Frank Smith who addressed the girls the week before on alcoholism. He showed a cartoon film and followed it up with discussion facts and definition of alcoholism.

Mr. Carpenter reported on the activities of the bank for the past year, and outlined the plans and new services for the future. Included in the new plans are an automated teller, a new line of credit available through Money Mate, the new enlarged Keogh plans, and special Christmas Clubs.

Mr. Bunnell reported on the financial condition of the bank and the changes that are

taking place in the very competitive money market. Surplus and reserves of the bank are now nearly ten million dollars.
